

Pledge

I pledge to comply with the following items when I am engaged in research activities at the National Graduate Institute for Policy Studies.

I understand that should I violate one of these items I may be subject to disciplinary action or liable in accordance with civil or criminal law.

1. I shall work to ensure the fair and proper implementation of research in accordance with the spirit of the code of conduct for research activities stipulated by the President while complying with the relevant laws and regulations.
2. I shall never conduct unlawful acts during research activity or the unlawful use of research funds.

END

National Graduate Institute for Policy Studies
President and Director of Unlawful Act Prevention Promotion
